Child Care Council of Westchester, Inc.
INVESTING IN OUR CHILDREN'S FUTURE

We Help Parents
Understand what *quality* child care means and why it's important
Find safe, dependable, affordable, education-based child care and afterschool programs
Explore financial resources, like scholarships, public subsidies and tax benefits
File a complaint about a child care program

We Help Businesses
Provide resource and referral information for employees, through information sessions or printed/digital materials, which can result in:
Reduced turnover and absenteeism
Increased productivity
Boost in public image and positive community relations
Tax benefits

We Help Providers
Establish and register a program
Develop skills through workshops, conferences, technical assistance and special events
Meet high quality standards through staff credential programs and rigorous assessment and consultation projects
Improve children's health through nutrition programs and support for health care practices

We envision a day
when every child's potential is maximized from birth
when every parent can go to work free from distraction or worry
when Westchester businesses have access to a talented, well-educated hometown workforce
